MEET one of our Special Education Teams

Hi! My name is Shannon Hullinger. This is my 3rd year teaching special education grades 2-4. Before becoming a teacher I was an aide in the special education classroom for 6 years. While working there I decided to go back to school and get my degree. My husband and I are both graduates of PH. We have a 4 year old son, Steele. We enjoy spending time as a family camping, hunting, fishing, racing motocross, and just being outdoors.

My name is Danielle Mullet. This is my second year as a part time teacher 's aide in special education. My husband and I have 2 boys that are in school here, one is in third grade and the other is in first grade, we live in La-Grange. I enjoy spending time with my family and friends, in the summer we go to the lake.

Hello my name is Desiree Robison and I go by Ms. R. I enjoy spending my time outside during the warmer months going on hikes and trips to the beach. I also enjoy spending my free time taking photographs of friends, family, and animals.

A message from Mrs. Hamlin, PE teacher

I would like all students to wear a regular type mask not a gaiter type mask to PE class. The students are having to be constantly reminded to cover their nose and/or mouth when they have on the gaiter type.

Thank your for your cooperation.
