2019-2020 CLASSROOM TEACHER ASSIGNMENTS

We are not taking parent requests for a certain teacher. We need the flexibility to place students as needed for various reasons. It is also difficult for parents to know all of the teachers and how the classroom operates.

Instead, if you wish, you may provide the following to Mr. Troyer by **Friday, May 24, 2019.**

- The characteristics or needs of your child.
- Or, if there is a teacher (one) at that grade level that you know would not be a good match.

You may want to hand deliver or e-mail that information to ensure it is received. The staff will then place your child with the teacher who will be the best match.

*Do not request teachers - if you do so, it puts us in a bad position. It is likely the requested teacher would be avoided so it does not appear some requests were honored and others not. Any questions, please call Mr. Troyer 351-2043 or jtroyer@ph.k12.in.us

Anticipated teachers for 2019-2020 school year:

Kindergarten: Mrs. Ellis, Mrs. Freed, Mrs. Healey, Mrs. Wheeler

First: Mrs. Harris, Mrs. Lower, Mrs. Maas, Mrs. Mauck, Mrs. Parr

Second: Mrs. Crites, Mr. Ellert, Mrs. Roth

Third: Mrs. Grate, Mrs. Hoffman, Miss E. Todd, Mrs. Tracey

Fourth: Mrs. Dilts, Mrs. Gorman, Mr. Healey, Mrs. Kuhnle

It's Almost time for the 2019 Math Facts Picnic!

May 23rd is the PHE Annual Math Facts Picnic.

Students who have earned two math fact stars (or are close to their 2nd star), are invited to the Math Facts Picnic.

The students will walk to the school farm for play time and a picnic lunch, with the rest of their grade level.

If your child is attending the school math picnic we will need to know if s/he is buying a school lunch before May 23rd. This is so we can order enough sack lunches from the cafeteria.

Picnic Requirements:

1st Grade: Complete Addition level P, or beyond

2nd Grade: Earn a star for Addition, and be on the last four levels of Subtraction, or beyond.

3rd Grade: Earn a star for Subtraction, and be on the last four levels of Multiplication, or beyond.

4th Grade: Earn a star for Multiplication, and be on the last four levels of Division, or beyond.

Spring Concert - PHHS Diehl Auditorium

Thursday, May 16, 2019

7:00 PM

Only the 3rd & 4th grade students will be performing at the concert.

You are welcome to attend our rehearsal at 1:00 PM in the PHHS auditorium if you're unable to attend that evening.

Students need to be in the east gym at 6:45 PM.
