Dear Prairie Heights Families:

We recently received notice in regards to a change in the federal lunch program. All students may receive a free breakfast and lunch for the first semester which ends on December 18, **OR** until the federal funds are depleted. Your child's lunch account will be credited for the first twenty-six days of school to be used during the second semester, or a refund can be requested. If you prefer a refund, please contact Christine Orr at 351-2067. As the federal guidelines state, if students pack their lunch and want a milk, they will still need to purchase the milk.

Students who are participating in online learning will also be eligible for these meals. Those who are interested may pick up meals every Monday (this will include Monday and Tuesday's meals) and Wednesday (this will include Wednesday, Thursday, and Friday's meals) from 10:30-11:00 at door M1 in front of the middle school. Meal pick-up for online learners will start on October 5. If your student is an online learner and you are interested in the meals for your children, please contact Brittany Eash at 351-3214 ext. 6540 or by email at beash@ph.k12.in.us.

Families that typically would qualify for free and reduced lunch should still complete the free and reduced application for textbook assistance.

If you have any questions, please feel free to contact your child's school.
